### Mid-State Health Network (MSHN) Update:

Board member, Joe Brehler reported that MSHN met for a relatively short meeting, nothing of particular interest. Vice Chair, Ken Mitchell reported that he recalled that there was a discussion regarding what to do with the large amount of cash in the MSHN reserves.

Board member, Kay Randolph-Back inquired as to whether there was any discussion regarding MSHN activity in the population health and integrated care quality assessment with regards to individuals being served under the Medicaid health plan? Ms. Randolph-Back recalled that during the pilot phase there were more CEI consumers involved than any other health plan.

Board member, Joe Brehler shared that this has not been a regular topic of discussion. However, worth looking into and commented that he would follow-up and advise.

### CEO REPORT

Sara Lurie introduced Drew Kersjes, Residential Administration Supervisor and asked Mr. Kersjes to share the success story he shared this morning during the quarterly Managers Meeting with the CMHA-CEI Board of Directors.

Mr. Kersjes shared a story regarding a female refugee who came from a refugee camp in Africa and had been told that she was not going to make it, as a lot of bad things happened to her. This young lady has blossomed into determining what life looks like for her, she's working at MSU full-time 40-hour position, and his success story is the fact that CMHA-CEI was able to provide support during the rough patches as she worked towards her goals as it is an honor to learn from experiences implemented by interactions and move forward as a team. Mr. Kersjes stated that every behavior is an attempt to communicate and that it is important as staff to recognize the changes that we can make ourselves to have the greatest impact and offer the greatest supports to our consumers.

Today's presentation is entitled: CSDD Residential Culture of Gentleness and supports. Highlight from the presentation included:

- CMHA-CEI Journey Toward a Culture of Gentleness
- What is the Culture of Gentleness
- Culture of Gentleness Philosophy
- Training in the Culture of Gentleness (Working with People)
- Testimonies and Reflections of our work in a Culture of Gentleness
- Where do we go from here?

In addition to the written report, CEO, Sara Lurie provided the following updates:

- **Budget Bill**, reporting that Governor Whitmer signed the budget and that there is a strong level of support for the public system as well as investment for Youth and Adolescents. However, reporting that the state continues to struggle with timely psychiatric hospitalizations other than Hawthorne. The state will be looking at building more private infrastructure targeting adolescents, Crisis continuum, and Crisis Stabilization Unit (CSU). Additionally, reported that \$5 million dollars has been allotted to CMHA-CEI, if we go forward in the positioning of the CSU on the Green Lawn Campus.

**ACTION:** CMHA-CEI will continue to explore. CEO, Sara Lurie will keep the board posted on any new developments.

#### **Referral Process Update**

In the spirit of a more common practice with regards to referrals, Ms. Lurie announced that although this process has been in place for some time now, she wanted to highlight during her CEO Report this evening so that board members were aware of the change which consists of CMHA-CEI Access department now handling the referrals from primary care physician offices. In the past consumers and or family members were required to contact us. This no longer is the case. CMHA-CEI is now responsible for making the initial contact and also initiates the screening, intake and can assist with referring outside of CMHA-CEI, if necessary.

Board member, Kay Randolph-Back was thankful for the update and thrilled to hear the Access is now involved in the process, reporting that it has historically been a challenge when consumers or consumer families have had to make the initial calls.

#### **Medicaid Enrollment**

CEO, Sara Lurie reported that the Public Health Emergency extended through October 13, 2022.

#### **Rate Setting**

CEO, Sara Lurie reported that now that the budget is finalized, rate setting can get completed, and that MSHN is looking at a reduction of approximately 4%. Due to the fact that the enrollments are quite high, should not impact CEI for the remainder of the year. However, as mentioned earlier, MSHN has quite a bit of savings through the remainder of the Fiscal Year.

Board member Raul Gonzales commented on a recruitment ad that is currently published by CEI in the City Pulse. He also reported an ad in the City Pulse regarding the new 988 suicide prevention line and suggested CEI may want to consider disseminating some information to the community regarding this new service.

Board member, Maxine Thome inquired as to whether CEO, Sara Lurie had any information regarding why the community SUD remains stable and is still down about 29% with so much that is going on in this area? Ms. Lurie commented that it could be the fact that the funds are not being spent.

**ACTION:** CEO, Sara Lurie will inquire further regarding the SUD funding and advise.

Board member, Kay Randolph-Back referred to page 31 of the packet commenting on the mandatory benefit that resulted in a settlement with the state of the KB Law Suit. Item: Review of State Improvements, early periodic screening, and reported about the Governor Accountability Office research.

CEO, Sara Lurie advised that unfortunately, she does not have that level of detail. However, stated that she would be happy to share information as it becomes available.
