### **CEO Report**

CEO, Sara Lurie introduced KC Brown, Integrated Treatment & Recovery Services Director, who introduced Jim Keel, Cedar Roots Recovery, Coordinator. Highlights from the Cedar Roots Recovery Rebranding presentation included the following program updates:

- New Cedar Roots Recovery logo
- Staffing (40 bed secured men's unit)
- Renovations (top to bottom interior and redesign renovation started August 2024 and will be fully completed by May 2025)
- Time vs. Treatment
- Programming/Core Groups
- Services Offered: Full Nursing Assessment at time of intake, Mobile Recovery Clinic, Connection to PCP, Dentist, Eye Doctor, STD, STI, HIV/AIDS, Hep C Testing, Vaccinations, State ID/Birth Certificate/Social Security Card, MDHHS Application Assistance, CATA Club Member Application, GED Tutoring Services, DED Testing Assistance, Transportation

Board member Maxine Thome inquired as to the experience for transgender male clients? Jim advised that because of the welcoming mindset of the community of guys currently housed, they have been very accepting.

Board member, Dwight Washington inquired as to whether CMHA-CEI has a female counterpart to Cedar Roots Recovery? ITRS Director, KC Brown advised that unfortunately, due to SAS funding being restricted, we do not at this time. However, welcome an opportunity to discuss further. Currently there are very few recovery options for women with children. A few options include: The Glass House, and Mid-Michigan Recovery Services.

Members of the board were pleased to hear that since COVID, the program switched visitation over to Zoom which improved barriers for recipient visits and added flexibility. No longer limited to specific days and times for visits. Recipients may now receive Zoom visits 7 days per week allowing them to stay connected to family. Phone calls are also accepted.

In terms of usage between counties, currently reporting that the majority of clients in Cedar Roots Recovery are from Ingham County, second would be Eaton and third, Clinton County.

Board members commended KC Brown and Jim Keel on the incredible quality level of work and care that they are providing at Cedar Roots Recovery for those we serve and look forward to the upcoming open house on May 16<sup>th</sup>, located at 706 Curtis Street, Mason, MI.

### CEO Report continued

CEO, Sara Lurie presented the April CEO Report. Highlights from the report included the following:

- Plaque presentation to Board Chair Emeritus, Maxine Thome (Max) for her dedicated service as CMHA-CEI Board Chair April 1, 2024 – March 31, 2025. CEO, Sara Lurie on behalf of the CMHA-CEI Board congratulated Max on recently being awarded the National Association of Social Worker Michigan 2025 Lifetime Achievement Award with a special recognition of her strong leadership and support provided over the past year. Acknowledging the fact that despite many unforeseen challenges Max stepped to the plate as we continue to address recruitment and retention challenges, ongoing ups and downs in federal and state directives, moving forward with plans to begin demolition and renovation of the new building for the Crisis Care Center project, and with full support the continuation of our commitment to DEIJ seeing it as essential in fulfilling values of dignity and respect to our staff and to those we serve. Max's support and guidance helped to keep us calm and steady during the year, noting that it was also through Max's vision as our HR Chairperson that several years ago, we launched our 1<sup>st</sup> cohort of CMHA-CEI Scholars. Last year, we had our first graduate, Jessica Swarthout, and I am proud to say that in May, we will have four more graduates: Nichole Taylor, Quintina Bodiford, Aaron Bakken and Michael Skinner. We look forward to Max's continued participation on the CMHA-CEI Board of Directors.
- Kudos to the Annual Community Event Planning Team, volunteers and the facilities crew for their continued dedication to excellence as it relates to this event.
- Rebid for the infographics included in this month's packet does a great job outlining our advocacy points. Investing in improving the current system rather than creating chaos via a rebid process is the best course of action. If there is a rebid, making sure that only public agencies are considered and not allowing private entities to bid is essential to keeping the local accountability and public orientation of the system. There is an action alert on this that recommend contacting the Governor's Office with this message.
- Notification that the state budget will be last minute this year. Will keep the members of the board posted regarding any new developments.

A copy of the Medicaid PowerPoint that was provided to the legislature that outlines the impact of Medicaid on our Michigan economy as well as the impact of some of the potential federal reduction strategies that have been floated in DC has been included in this month's packet. It reflects how devastating this would be to healthcare, hospitals and especially impacting rural communities across the state. With federal legislators on recess until April 28<sup>th</sup> now is the best time to continue advocacy efforts.

**ACTION:** Sara will be sending out action alerts tomorrow to the organization but included links for board member in this month's written report.
