## Substance Abuse Services & Corrections Mental Health

The program recognizes substance use disorders as a systematic problem and is designed to address underlying issues as well as the presenting substance use disorder related problems. The program works to create a co-occurring capable system that is welcoming, person-centered, recovery oriented, culturally competent and trauma-informed. This is accomplished by careful assessment and comprehensive treatment planning. A wide range of services are available including outpatient, residential, detoxification and self-help groups. Services are provided at the Clinton County Counseling Center (CCCC) Correctional Assessment & Treatment Services (CATS), House of Commons (HOC) & The Recovery Center (TRC).

SAS programs encourage, support & guide individuals to explore all methods of treatment identified as beneficial toward their wellness, including Medication Assisted Recovery (MAR).

### Fees

*A sliding fee scale is available which allows individuals to obtain services based on ability to pay. Individuals with ability to pay privately are accepted. Publically funded health coverage is accepted. If you have any questions regarding coverage or payment, please call our programs directly.*

## Clinton County Counseling Center (CCCC)

**Substance Use Disorders Services**  
**201 W. Railroad, Suite A**  
**St. Johns, MI 48879**  
**(989) 224-6729**

Clinton County Counseling Center provides screening, assessment, individual and group counseling, family intervention and psycho-education. Assessments for substance use disorders (SUD) are conducted through individual evaluation sessions. Groups are also provided for persons with SUD and incorporate psycho-educational services. CCCC is a member of the Clinton County Substance Abuse Coalition. Department of Health and Human Services, District and Circuit courts may directly refer to (989) 224-6729. All other interested individuals need to call the CMHA-CEI Central Access Department at (517) 346-8318 or toll free 888-800-1559.

## Corrections Mental Health

Clinton, Eaton and Ingham County Jails are staffed with CMHA-CEI Mental Health Therapists to do Crisis Mental Health Screening and Referrals for individuals with mental health issues. Each jail is provided access to screening, short-term management and medication referrals, as specifically required by the individuals. These staff are also the liaison to the Crisis Services Program of CMHA-CEI Adult Mental Health Services.

## Correctional Assessment & Treatment Services (CATS) Program

**630 N. Cedar Street**  
**Mason, MI 48854**  
**(517) 676-8344**

The CATS Program provides outpatient treatment for individuals who are incarcerated in the Ingham County Jail and present with a diagnosis of substance use disorder. CATS provides group and individual counseling sessions. The program follows the client through the stages of incarceration and then refers the client to appropriate outpatient services in the community for continuum of care. Referrals can be made by calling the program at (517) 676-8344. Inmates may contact the program via the jail's communication system.

## Jail Diversion

Jail Diversion services are part of the Corrections Mental Health services provided in the Clinton, Eaton and Ingham County Jails. When appropriate, individuals with Severe & Persistent Mental Illness (SPMI), and charges of misdemeanor or non-violent felony are screened for possible diversion from incarceration to treatment.

## House of Commons (HOC)

**706 Curtis Street**  
**Mason, MI 48854**  
**(517) 244-0393**

The House of Commons is a 40 bed residential treatment program designed to help men with substance use disorders. The length of stay is up to three months and includes a six month follow-up day-program for probationers. The program is available to men 18 years and older, who are self-referrals or referred by Coordinating Agencies, Michigan Department of Corrections or Office of Community Corrections. Referrals are also accepted from other sources such as courts, attorneys and family. Individuals interested in admission or in making a referral may call the program at (517) 244-0393.

## The Recovery Center (TRC)

**810 W. Saginaw Street**  
**Lansing, MI 48915**  
**(517) 267-7623**  
**Toll Free 855-TRC-DTOX**

The Recovery Center is a 3-5 day, Medically Monitored Detoxification program with a 24 hour structure. The program assists individuals through detoxification while promoting health and well being. TRC encourages the continuation of services via long-term residential and outpatient programs. Persons interested in admission must call the program at (517) 267-7623 for a screening by program staff to determine appropriateness.
