Greetings from the Training Unit,

Below are training dates & registration links for **October 2022**.

- **Reminders:** when signing up for class, please list your supervisor's name & contact info **in addition to your own cell phone and email.**
- The training unit has been sending out text messages before the class you've registered for to confirm attendance (and to confirm you've received the email with instructions for First Aid).
- The text to remind/confirm attendance for class provides you with the date, time, name, & location of the class and, asks for a confirmation that you are still able to attend.
- **CPR & FIRST AID VIDEOS:** First Aid emails are typically sent out 7 days ahead of scheduled CPR Skills Demo Class. However, if you sign up for a class that is scheduled within a few days before the CPR Skills Demo, you may want to send Sarah or Bridget an email as we do not get notified every time someone signs up for a class. The First Aid email has instructions with a link & password for watching First Aid Videos and completing an online quiz.
- If you have NOT received a First Aid email within 7 days of your scheduled CPR Skills Demo class, please send an email to either Bridget or Sarah: doyle@ceicmh.org or guy@ceicmh.org

REMINDER for Self-Determined/RESPITE Staff:

If you are supporting a person utilizing Self-Determination/RESPITE, please do not sign up for a CPR Skills Demo Class: Please email the Case Manager of the person you support to receive further instructions for completing First Aid Only.
