Mother and Son Present a Message Of HOPE

WAI-IAM, Inc. was built on real life experience and nearly a decade of struggle through addiction. The programs are specifically designed to provide the message of HOPE. StraightTALK takes the viewer into the chaos of addiction and leaves them with a sense of peace for a bright future. No matter what venue or who attends, the lessons shared will leave you speechless and everyone can benefit from this new approach to freedom.

Lessons We Share:

Learn what spiraled a teenager into addiction.

- Learn how a parent innocently tried to fix everything*
- Learn what signs to watch for when raising a teenager*
- Learn how "identity" plays a role*
- Learn what healthy steps can be taken when facing a loved one using drugs and alcohol*
- Learn to set boundaries and find peace in a world of chaos*
- Learn how to be comfortable with Who You Are*
- Learn how to not use drugs and alcohol to escape*
- Learn that choosing a sober life can be exciting and rewarding*
- Develop dreams and goals and look forward to the future look!*

StraightTALK is a community presentation that shares the gut-wrenching truth about the journey into the world of addiction. The story will captivate the audience with the horror this family faced and leave them with tools and HOPE for a bright future!

This is a real life story.

StraightTALK captures the attention of the audience with an incredible real life story. The presentation sheds light on parent-child dynamics that innocently led into nearly a decade of chaos in the world of addiction. StraightTALK provides addicts and their loved ones with tools for change and wraps up with a wonderful message of HOPE!
