

**For initial appointments and screenings to determine service eligibility, please call CMHA-CEI Central Access at (517) 346-8318 or 888-800-1559**

**All inquiries and services are held in the strictest confidence.**

Recipients of substance use disorder services have rights protected by state and federal law and promulgated rules. For recipient rights information, please contact the Community Mental Health Authority (CMHA-CEI), Substance Abuse Services (SAS) Recipient Rights Advisor, Julie Vermett-Pollock at (517) 676-4905; or the Regional Recipient Rights Consultant of Mid-State Health Network at (517) 657-3011.

### **Fees:**

A sliding fee scale is available that allows individuals to obtain services based on ability to pay. Publically funded health coverage is accepted. If you have any questions regarding coverage and payment, please call the program directly.

All programs are smoke free environments.

12/17/jvp

*Licensed by the State of Michigan to provide substance use disorder treatment services.*

*Accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF)*

### Substance Use Disorders Services

The program recognizes substance use disorders as a systemic health problem and is designed to address underlying concerns as well as the presenting drug/alcohol issue. This is accomplished by careful assessment and comprehensive treatment planning. A range of different services are available including outpatient and referral.

## Treatment Services

Community Mental Health Authority  
Clinton-Eaton-Ingham (CMHA-CEI) Clinton  
County Counseling Center (CCCC) provides:

- **Assessments** - individual appointments that gather information to assess appropriate services & level of care.
- **Individual Therapy** - one to one counseling appointments.
- **Case Management/Care Coordination**
- **Family Intervention** - client & family/friends.
- **Group Therapy** - provides individuals with insight & information regarding addiction & recovery strategies.
- **Student Assistance Program Assessments**

## Prevention Services

As a member of the Clinton Substance Abuse Prevention Coalition, along with human service, law enforcement agencies, area schools, students, parents, business owners and concerned citizens CCCC works to:

- Promote a safe, healthy environment for residents of Clinton County.
- Increase awareness of consequences of alcohol & other drug use.
- Reduce youth access to drugs, alcohol & tobacco.
- Reduce underage drinking.

A Clinton County partnership  
between  
Department of Human Services  
&  
Clinton County Counseling Center

Working together to help with concerns that include substance use disorder (SUD) treatment needs.

For information & initial appointments please call CMHA-CEI Central Access at 888-800-1559 or 517-346-8318

*Working toward recovery & independence for individuals in Clinton County.*

## Who can refer individuals for treatment?

- Self
- Department of Human Services
- Employers
- Healthcare Providers
- Schools
- Courts
- Corrections Staff
- Attorneys/Legal Advocates

***Building bridges from addiction to recovery.***

**Specialized treatment through the Clinton County Counseling Center may include:**

- ❖ Mental Health Crisis Services/Jail Diversion
- ❖ Substance Use Disorder Treatment

CCCC works to create a co-occurring capable system that is welcoming, person-centered, recovery oriented, culturally competent and trauma-informed. SAS programs encourage, support & guide individuals to explore all methods of treatment identified as beneficial toward their wellness, including Medication Assisted Recovery (MAR).
